### Spring Jr. Development League (Beginner to Intermediate levels, ages 8-14)

The league will focus strictly on playing the golf course and learning the rules & etiquette involved. The league will cover some instruction, but each week the players will be practicing on the course dealing with real golf situations. Each week our lessons will take place on the golf course learning about all the areas on the course, hitting shots from different lies and the on-course challenges they will face. By the end of the program, the golfer's goal is to confidently play an entire hole from start to finish. This program is ideal for beginner/intermediate golfers trying to get introduced to the game and familiar with the golf course. This league is a perfect transition program towards the junior summer golf league!

**The cost is \$165 per player. Maximum of (8) students.**
